HOW TO USE THE UNION CATALOG

This catalog includes the periodical holdings of the subject departments of the San Francisco Public Library, Main Library, Civic Center; the Business Branch Library, 530 Kearny Street; and the following Peninsula libraries: San Mateo County Library System, San Mateo County Public Health and Welfare Library, Daly City Library, San Mateo Public Library, Redwood City Public Library, Burlingame Public Library, San Bruno Public Library, and the San Mateo Educational Resources Center. Holdings for branches of the Peninsula libraries are included only if they supplement the holdings of the main county or city library, or if the title is located in the branch only.

Listing is alphabetical by title with newspapers listed separately in the blue section at the end of the catalog. Immediately below the title and descriptive notes are the holdings for San Francisco Public Library indicated by SFPL. The column to the right of the title shows the subject department in which that title is located and the call number. These locations and call numbers refer to San Francisco Public Library only. When a row of asterisks is printed beneath the SFPL holdings, it is followed by the Peninsula Library holdings with symbols to indicate the name of the library. A list of these libraries and their symbols appears on page iii.

Periodicals are listed under the latest title with "see" references from earlier titles. Journals, transactions, bulletins, proceedings etc. are listed under the name of the organization which publishes them unless they have a distinctive title, in which case they are entered under it. A selection of government documents, annuals, symposiums, and yearbooks is included.

Holdings statements are brief, with no abbreviation for "volume" before the volume numbers, and with months abbreviated to two letters. If the publication is in any medium other than paper, e.g. microfilm, this is indicated. An explanation of the symbols and abbreviations used in the catalog is given on page ii. The statement "CIRCULATING ISSUES ALSO AVAILABLE" means that issues of the past 6 months may be charged out. Where no holdings statement is shown, it should be assumed that the title is on order, and you may check with the Subject Department to see whether issues have arrived.

For information about the Peninsula Loan policies, see page iv.

SAN BRUNO PUBLIC LIBRARY
San Bruno will lend all periodicals on interlibrary loan with the exception of bound titles and the current issue of all titles. Microfilm and newspapers are not available for loan; however, a reasonable number of page copies will be made at the cost of 10 cents per page.

SAN MATEO PUBLIC LIBRARY
Current issue: library use only. All other periodicals circulate for a period of one week. They are not renewable. Circulation is limited to ten periodicals at one time and to three issues of any single periodical. Interlibrary loans: will loan to other libraries any circulating periodical for one week or photocopy any cited article.

SAN MATEO COUNTY LIBRARY
All requests for interlibrary loan from the central headquarters or from any branch must be sent to headquarters. Branches are not able to fill interlibrary loan requests directly.
Current issue: library use only. Bound volumes, back periodicals, newspapers, and microfilm: requests for interlibrary loan are generally accepted, but the county reserves the right to restrict circulation and loan on any serial item. Photocopies: 15 cents per page.

EDUCATIONAL RESOURCES CENTER, SAN MATEO COUNTY OFFICE OF EDUCATION
We will be happy to make photocopies of periodical articles available to any other library without charge IF the other library will reciprocate. If the other library charges, we will make similar charges.

SAN MATEO COUNTY PUBLIC HEALTH AND WELFARE LIBRARY
We will send the issue or the volume when possible. If for some reason we must send copywork, we will contact the asking library to see if the borrower will pay. Rate is 3 cents per page.
